### SUB HEADING

Year 3 have had a very busy week! They have been using concrete and pictorial representation to gain a deeper understanding of what happens to a 3-digit number when adding and subtracting. In DT they have been working hard to complete and evaluate their brilliant mechanical posters!

In Year 4 we have been inspired by the work of Margaret Mee so have used her paintings of plants from the Amazon as the starting point for our Austin's butterfly. We have focused on the skills we need for shading and colour mixing and have then used these skills in our drafts.

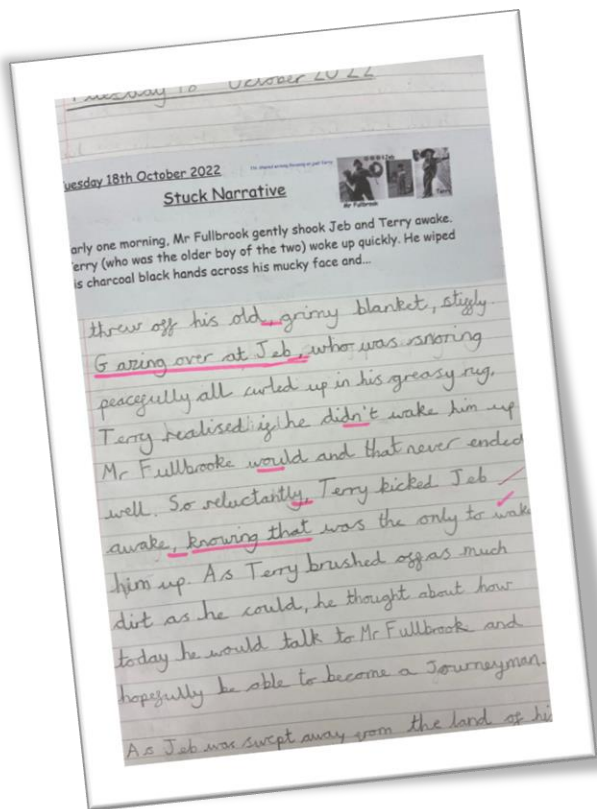

## Baking in EYFS!

We enjoyed baking bread after listening to the story of 'The Little Red Hen'. It tasted delicious! TEXT

## Descriptive writing in Y6

Year 6 have been working hard to develop character descriptions this week!
